## Letter from Pat

Dear Friends,

What an exciting year this is going to be! We're going to have a Collectors' Convention at the Hotel Roanoke in Roanoke, Virginia, this May 24-25, so save the date and make your reservations early. More details follow in this *Sentinel* issue.

Also, I'm very much looking forward to our Mediterranean Cruise this July. It's going to be such fun. If you are participating and have any questions, please give our volunteer cruise coordinator Bonnie-Lou Binnig a call at 727-244-2819 or e-mail at [blbinnig@yahoo.com](mailto:blbinnig@yahoo.com). You can also contact Ada at Stacy's Travel at

734-243-6330 or e-mail at [stacystravel1@hotmail.com](mailto:stacystravel1@hotmail.com).

I am delighted to announce that this year the Society will be introducing two new membership levels, offering gold and sterling silver beads as new member benefits. More information on the new membership levels and this year's members-only prints is included in this issue, so read on!

Happy 2013!

Love,

## New for 2013 Introducing the New P. Buckley Moss Bead

We are very pleased to announce the new P. Buckley Moss Society bead, *Forever Together*. This inaugural bead features on one side, the familiar pair of Moss geese similar to those that form the Society's logo, set in raised relief against a landscape of winter trees. The reverse side of the bead carries the "Moss" signature in raised lettering. The bead is made in the United States, adapted from Pat's geese by a master jeweler with decades of experience. Exquisitely detailed in miniature form, even down to the birds' feathers and knobby knees, these beads are much more than mere keepsakes, they are fine art jewelry.

Made of .925 sterling silver with an antiqued finish, the bead has all the best qualities of pure silver, but with the anti-tarnishing qualities that come with being sterling. It may be worn on a bracelet or a necklace; it is designed to fit the bracelets from all the popular bead manufacturers. We also offer a sterling starter bracelet (\$140) for those who do not already own a bracelet from one of the other bead manufacturers.

Enlarged to show detail,  
actual size 1/2 (w) x 3/8 (h) x 1/4 (d) ins.

Starter bracelet includes 2 black and white glass beads and two stopper beads. *The Forever Together* bead comes separately with your membership.

## New for 2013 *(cont.)*

### New Society Membership Levels

The *Forever Together* bead is a benefit to Society members who renew at one of two new membership levels. For 2013 and beyond, we have created three levels of membership: The "Premier", the "Choice", and the "Classic." The Premier membership costs \$100 annually and entitles the member to both the silver bead and the traditional porcelain brooch. The Choice membership costs \$85 and is for those who elect to receive the silver bead only. The Classic membership remains \$38 and is for those who like the porcelain brooch only. And for those who like the luster of gold, we have a 14K gold version of the bead that is avail-

able for \$500 as an upgrade to the Premier membership (gold pin plus porcelain brooch).

This bead will be the first in a series of beads. We will treat it the same way as the existing porcelain brooch, releasing one bead a year for new and renewing members. Each year you will have the opportunity to choose whichever level of membership most suits you. At any time during the year, you will be able to upgrade your membership to a higher level. Members who have already renewed for 2013 may contact us for an upgrade. Just call us at (800) 430-1320, or drop us an email at [kirstenthomas@pbuckleymoss.com](mailto:kirstenthomas@pbuckleymoss.com).

There are Senior memberships (for those 65 and older) at each level, and the Junior membership remains unchanged.

The membership renewal form on the back page of this publication allows you to specify at which level of membership you would like to renew. Please note that each year, upon your renewal date, you will be able to select the level of membership that suits you best for the coming year. We will publish images of next year's beads and brooches in the last *Sentinel* of this year.

Classic	Porcelain Brooch	\$38	Senior Classic	\$33
Choice	Sterling Silver Bead	\$85	Senior Choice	\$80
Premier	Sterling Silver Bead and Porcelain Brooch	\$100	Senior Premier	\$95
Premier Gold	14K Gold Bead and Porcelain Brooch	\$500		
Junior	Porcelain Brooch	\$28		

### 2013 Porcelain Brooch

Back by popular demand, this year's brooch will be porcelain, with a pin/pendant back, and for the first time will feature one of Pat's beautiful horse portraits. We have reverted to the traditional style of porcelain pin and, because we have worked out some wrinkles in production, will have it available earlier this year, in May.

## 2013 Adult Members–Only Print

*Standing the Test of Time*, the title of this year's members-only print, is one that is appropriate on many different levels. On a surface level, the old farmhouse stands the test of time, rock-solid, planted squarely in the midst of Pat's delicate, ephemeral landscape, grounded by its reflection in the pond. This house has sprung up from the landscape, a product of the human imagination, created by hard work, and has borne witness to generations of human activity, as it will for generations to come, providing shelter and comfort.

On another level, the house, without doors and a roof, is one of Pat's symbolic "spirit houses", a house for the soul, both inhabiting this world and this temporal space, yet at the same time otherworldly and outside our limited notion of time. Pat has created an eternal landscape. The soul; the human imagination and its product, art; the fruit of man's labor—all stand the test of time.

Pat's painting is a contemporary take on her Valley Style of painting, a style that itself has stood the test of time, as

relevant and meaningful now as it ever has been, and one which continues to bring pleasure over the years.

*Standing the Test of Time* is available in three different sizes. You will be asked to choose your size on the redemption card (which will be sent with your brooch in May).

Small—6 x 17 ins. \$80

Medium—10 x 28 1/4 ins. \$200

Large—13 7/8 x 39 ins. \$500

*Enchanted Wings* is the junior print, available to junior members for \$50.

We are working on a Friday luncheon and tour of the Virginia Museum of Transportation. More details to follow.

The subject of this year's convention print is The Virginia Railway Passenger Station in Roanoke. The station is in the process of being renovated and part of the proceeds from the sale of the print will be donated to help with the renovation.

## Update on 2010-2011 Teacher Grants

The P. Buckley Moss Foundation for Children's Education has received a wonderful report from the Southeastern Education Center in Milwaukee, Wisconsin, regarding the success of their educational program, which the Foundation funded with an award of \$700 for the 2010-2011 school year. The purpose of the program was to learn about how different things are for students in Africa and how education opportunities are not a given right for all youth there. The students participating in the program made up the words to a story and also a song within the story. As they composed the song, they worked on reading, spelling, music composition, and social interactions with one another. The drumming experience within the story helped the students develop their math skills. The students made the story board, created the art work, and had many after-school practice sessions.

The Neptune Beach Elementary School of Neptune Beach, Florida, also

*The student group was invited to perform the drumming portion of the project on July 5, 2012, at Milwaukee's Summerfest, "The World's Largest Music Festival", at the Tiki Stage. Summerfest's yearly attendance is nearly one million people over the course of the ten-day festival.*

shared with the Foundation how it is using its \$1,000 grant that was awarded for school year 2010-2011. This is a school-wide project, and the students are making hand-made pottery tiles for

room numbers for the entire school. This is one of the many projects they are working extremely hard on with a sense of accomplishment. The students are learning measurement, fractions, counting, sorting, right angles, and—of course—patience.

They have purchased a clay press table, clay, glaze, brushes, and other materials. Special Education teacher Kelly Crayne said, "The incorporation of the arts into our curriculum has made a difference in our students. They are motivated to learn and are proud of their achievements. We appreciate your assistance with the funding to make this dream a reality."

## Scholarship Deadlines

The P. Buckley Moss Foundation for Children's Education administers three scholarships that were initiated by the Society, and **all applications must be submitted to the Foundation office at 152 P. Buckley Moss Drive, Waynesboro, VA 22980.**

Criteria and application forms are available on both the Society's website ([www.mossociety.org](http://www.mossociety.org)) and the Foundation's ([www.mossfoundation.org](http://www.mossfoundation.org)), but any questions should be referred to the Foundation office at 540-932-1728.

Completed applications for the P. Buckley Moss Endowed Scholarship, the Anne and Matt Harbison Scholarship, and the Judith Cary Leadership Memorial Scholarship must be post-marked no later than March 31, 2013.

## Foundation Awards 2012 Teacher Grants

The P. Buckley Moss Foundation for Children's Education is pleased to announce the recipients for the 2012 Moss Foundation Grants. These seven grants will further programs to provide educational opportunities through the arts to children who learn differently. The total amount of these awards is \$4,000, plus an additional \$200 grant given by the Moss in the Valley Chapter. Your donations to the Foundation are greatly appreciated to help fund its grants and scholarships.

**Teacher: Suzanne Nozaki**  
**Pahoa High & Intermediate School, Pahoa, HI**  
**"EAT", Edible Art for Teens: \$600**

This project will enable students to make artistic creations using food items and special tools. Food has always been a great motivator. Art, too, has proven to be an effective method in reaching all types of learning styles. The combination of food and art will be a win-win situation, with students learning as they create and eat.

**Teacher: Elaine Tucker**  
**Sharp-Leadenhall Elementary School, Baltimore, MD**  
**Mosaic/Stained Glass: \$600 and a special grant of \$200 given by Society Chapter Moss in the Valley**

This project is an important part of a year-long, school-wide theme of "Road Trip", which incorporates lessons in literacy, social studies, science, math, and technology, using the creativity of mosaic and stained glass.

**Teacher: Edo Rosenblith**  
**Giant Steps of St. Louis, Maplewood, MO**  
**Diversify and Enhance Existing Art Program: \$500**

This project will diversify and enhance the existing art program with a wider variety of equipment and supplies and introduce new media to students with significant motor delays to build confidence in their abilities. For students with more developed motor skills, the project will introduce new media to keep them engaged and to raise their expectations for themselves.

**Teacher: Janelle Sicket**  
**Schuylkill Intermediate Unit 29 Early Intervention**  
**Preschool Program, Mar Lin, PA**  
**Learning, Playing, & Creating Together: \$500**

This project opens the door to the art of freestyle and expressive painting to developmentally-delayed preschool children through a combination of therapeutic movements, sensory activities, and bright colors.

**Teacher: Joseph VandenBussche**  
**Clover Avenue Elementary School, Los Angeles, CA**

This project will create an art rich environment that is appropriate for preschool special education students. The project will develop art centers in the classroom that allow children to use their imaginations to guide them in creating visual art. **\$460**

**Teacher: Lisa Hopp**  
**Meadow Ridge Elementary, Kent, WA**  
**Huichol Native American Tribe String Painting: \$780**

Students will read about and observe this art and how the Huichol Tribe communicated through the arts. Students will work with color, geometric lines, and symbolism to create their string painting.

**Teacher: Melissa McGorty**  
**Charles Wright Academy of Arts & Science, Detroit, MI**

This project will establish art classes for special needs and autistic students, challenging them to new heights as they incorporate shapes, colors, and textures into art projects. This will increase their self-confidence and abilities, as well as improve their motor skills. **\$560**

# Chapters Continue Charity Efforts, Activities

**CENTRAL IOWA** Chapter (Des Moines, IA) members hosted their annual charity luncheon in April, 2012, and raised \$3,228 from ticket sales, a live auction of several Moss prints and a Longaberger® basket, a silent auction, and the sale of their recipes used for the luncheon. The silent auction items were donated by chapter members, and the live auctions items were donated by Kenneth Paul Gallery, chapter members, and one non-member. A complimentary black and white Moss print was given to each attendee, courtesy of P. Buckley Moss Galleries, Ltd. The guest speaker was Linda Hoskins who, with other cancer survivors, climbed Mt. Everest. The Chapter gave her \$100, and she in turn donated half to Above & Beyond Cancer and half to the Children's Lymphoma Society. An additional \$150 was raised during the Chapter's potluck meeting in November, during which they held a silent auction of items donated by chapter members.

Chapter members gathered school supplies for Heidi Schoper's classroom at Willard Elementary School, including tissues, Ziploc bags, paper towels, index cards, glue sticks, fleece pants, briefs, and socks. The Chapter also gave Ms. Schoper \$100 gift certificates to Office Max and The Learning Post. The Chapter also donated \$310 to provide ten fall absorbent tiles for the Des Moines Bidwell Riverside Center, \$200 to Noah Beaumont (birth defect with stunted lungs) for his electric wheelchair fund, and \$150 to purchase air dryable clay for the Centre for Arts and Artists in Newton, IA. The Centre serves mentally and physically handicapped persons.

Additionally the Chapter donated \$500 to the Jester Park Equestrian Center for its winter outing called the Snowball Express and an additional \$500 for the program's scholarships. The Center provides a therapeutic riding program to help mentally and physically handicapped children with their balance,

core strength, muscle coordination, and sensory issues.

**FRIENDS MEETING** Chapter (Waynesville, OH) members supported GreeneBucs, which is the Greene County Chapter of National AMBUCS™, Inc. AMBUCS™ is a national non-profit service organization dedicated to creating mobility and independence for children and adults with disabilities through the provision of AmTryke® therapeutic tricycles. Fundraising activities included a dinner with P. Buckley Moss and Canada Goose Gallery. During the fundraising dinner, a quilt incorporating one of Pat's hand-painted quilt centerpieces was auctioned, with half of the proceeds from the quilt benefiting GreeneBucs and the other half benefiting the P. Buckley Moss Foundation for Children's Education (\$1,125 each).

While Pat was in town for the fundraising dinner and her show with Canada Goose Gallery, Friends Meeting members assisted with a Walk with Moss event that raised \$1,634.52 for PALS for Life (breast cancer support group), \$198.88 for GreeneBucs, and \$522.25 for the Dale Bowman Memorial Scholarship Fund. Also during that weekend, GreeneBucs awarded two trykes.

The Chapter also conducted a raffle for a *Winter at St. Thomas* Moss print to benefit GreeneBucs, which raised \$638. The drawing was held at GreeneBucs' annual Christmas dinner held December 5, 2012, at the Beaver Creek Golf Club, Beaver Creek, OH.

**LAKE MARBURG MOSS** Chapter (Hanover, PA) conducted two fundraisers in support of the Martin's Gallery Scholarship Fund. The funds raised provided two \$2,000 scholarships for local college students. The Longaberger® Basket Lotto in July netted \$2,500, and the Vera Bradley Lotto in November netted \$1,950. Chapter members also collected gifts, including toys, clothing, and gift cards, for a family whose 36-year-old mother passed away in November from breast

cancer, leaving the father with a set of 6-year-old twin girls and an 8-year-old girl. The amount donated totaled approximately \$1,000.

**MOSS IN THE COUNTRY** Chapter (Roanoke, VA) received a remarked *Mountain Homestead* Moss print from the Society's Charity Print Program, with framing donated by Apple Barn Gallery. The raffle raised \$3,000, which the Chapter donated to the Botetourt Free Clinic. The lucky winner was Gwen Lindsey.

**Total raised for charity in these chapter reports is over \$34,713.65. Amazing!**

## Chapters Activities *(cont.)*

The Chapter also held its annual picnic and silent auction. Members donated new and gently used items for the silent auction and bid on them. The proceeds of this event help support projects throughout the year. Members collected soup and crackers for a local Soup for Seniors organization and also collected needed items for the Botetourt Food Pantry. Members donated paper products and food items, and a Chapter donation of \$300 was used to purchase staples such as beans, rice, and pasta in bulk. Members also donated needed items to the Rescue Mission. The items were chosen from a list of needs from the Mission, including toiletries, paper products, etc. Several times a year, Moss in the Country prepares and serves dinner for the guests at Ronald McDonald House in Roanoke. The guests there are families of children from out of the area who are patients at Carilion Roanoke Memorial Hospital.

The Chapter also donated \$150 to the Botetourt Resource Center and \$50 each to the After Prom Parties of Lord Botetourt High School and James River High School.

**MOSS PELICANS** Chapter (St. Petersburg, FL) conducted its raffle of a quilted wall hanging created around one of Pat's hand-painted centerpieces in November. The raffle raised \$800, with half going to the P. Buckley Moss Foundation for Children's Education and the other half going to a local charity that will be selected during the Chapter's January, 2013, meeting. The quilt was made by chapter members Ruth Zilhaver and Pat Moss herself.

Chapter members continue to collect aluminum pop tops for the St. Joseph's Children's Hospital in Tampa, FL. The Chapter also provided numerous articles of gently used and new clothing for the Clothes for Kids Project in St. Petersburg and supported the five divisions of the St. Petersburg Free Clinic with donations of food and

clothing throughout the year. Members also collected books and magazines for patients at the St. Petersburg Veterans Administration Medical Center and gave a \$100 scholarship to Kendall Burkett, a senior at Florida State University who is entering her graduate program in special education. Kendall, who was diagnosed with dyslexia and decoding problems at the age of seven, was sponsored by the Chapter as an applicant for the Judy Cary Leadership Memorial Scholarship.

**MOSS ROSES** Chapter (York, PA) assisted the Margaret E. Moul Foundation in obtaining a *Pigeon Forge Mill* Moss print from the Society's Charity Print Program to include in a silent auction during its 25<sup>th</sup> Anniversary & Recognition Dinner. The print raised \$185 for the Foundation's Endowment Fund. The Framers of York, PA, donated a \$25 gift certificate to go toward having the print framed. The Chapter also donated an additional \$100 to the Margaret Moul Home, \$200 to Leg Up Farm, and \$150 to Our Daily Bread.

**MOSSAPHILE** Chapter (Atlanta, GA) members collected canned and non-perishable food for their local food bank and items for Snax Pax (bags given out on Friday afternoons to children who may not have food on weekends; bags include fruit, juice boxes, cereal bars, etc.). Chapter members also donated clothing, coats, hats, gloves, blankets, linens, household items, small furniture, TV, etc., to American Kidney. In addition, members donated cash and/or care package items to a local church that sends care packages to soldiers overseas and made monetary donations to the P. Buckley Moss Foundation for Children's Education in support of its various programs and to the Alzheimer's Association.

**TREES OF LIFE** Chapter (Defiance, OH) members raised funds to benefit Jackson Fortman and his family (six-year-old and his mother both suffer from vascular malformation). Funds were raised by holding "Defiance Has Talent and Heart II", an evening event held at the Defiance K of C Hall and emceed by their local radio personality. The evening included an extensive hors d'oeuvre buffet and talent presentations by fifteen outstanding singers and dancers. Guests then "voted" by placing money in performers' buckets to see who could raise the most. The top three were announced at the end of the evening. The Chapter also held a 50/50 raffle, a silent auction of 39 items, and live auctions of a Moss original and a piece of framed student artwork. The Chapter also did an October Calendar with a prize given each day (Moss prints, brooches, Vera Bradley items, gift baskets, gift cards, etc.), held gift raffles at chapter meetings, and saved grocery receipts. The total amount raised was \$17,400.

In addition, chapter members supported PATH (homeless center) by participating in its Fun-d Calendar in February, and some members participated in the American Cancer Society's Relay for Life.

*Members of the Fortman Family at "Defiance Has Talent and Heart II", sponsored by the Trees of Life Chapter. Note the original angel sketch donated by P. Buckley Moss that was auctioned that evening.*
